

## Your Gift Subscription

A subscription account at Walkingworld gives you access to over 7000 British walks, each with an easy-to-follow guide and Ordnance Survey map. There are also several hundred walks abroad, for instance in Spain and France.

Simply print the walks out on standard A4 paper and go!

You can also download walks direct to the Walkingworld app to follow on an OS map. Search for 'Walkingworld' (all one word) on the Android or Apple app store. Sign in with your email address and password and you will have full access to all the walks.

Setting up your Walkingworld account is simple. Just do the following:

- Go to **www.walkingworld.com** and click 'Join' at the top of the page.
- Enter your details and choose a password to set up your account.
- Immediately after joining click 'Contact' at the top of the page.
- In the 'Comments' box ask for the gift subscription to be added to your account. Please mention the nice person who gave you the gift subscription. Then click to send your message.
- You will receive a confirmation email as soon as the subscription has been added to your account.

Happy walking!
